President's Message

Happy Holidays, don't look now but it's almost time to say goodbye to 2022. Hopefully you had a great Thanksgiving with family and friends and have taken some vacation time. With Christmas and New Years coming up quickly it is time to bring this year to a close and start looking forward to next year.

I would like to express my condolences to John Juleson's family. John was a longtime chapter member who lost his battle with cancer on November 29th .

Thanks again to our members who performed sick route coverage for John while he fought a valiant fight. RIP John.

I would like to thank the following members for serving on the Santa Clara IPSSA Board for the last 4 years. Nigel Roberts - Vice President, Jose Olivera - Treasurer, Filberto Rubalcava - Secretary and Joe McVeigh - Past President. Collectively, we have tried to keep the chapter going during some very difficult times. Unfortunately, we have only had one member step up to run for our next Board, so our slate of candidates looks like this:

- President - Fred Doering
- Vice President - Earl Sutton
- Treasurer - Jose Olivera
- Secretary - Nigel Roberts
- Past President - Joe McVeigh

With each position running unopposed, we will do a simple show of hands at the December meeting to vote in this slate of candidates.

As the world has changed because of covid (people don't want to attend meetings as much any more), all of IPSSA is suffering from member apathy.

Our sister chapter, Silicon Valley lost it's full Board of Directors in 2022 and have not had a member meeting since covid started. Having said that, next years board will be looking at different ways to continue to bring relevant

information to our chapter members.

Our December member meeting will again be held at Roundtable Pizza, 1400 W. Campbell Ave, Campbell, CA on Thursday, December 15th at 6 PM.

We have a private room, so we can allow our sponsors a few minutes of our time, but these meetings are about our members connecting with each other. Bring the family, we will buy the pizza and soft drinks and they sell beer, which you can buy on your own. I promise the meeting will be short, food will be plenty and who knows, you just might make a new friend.

We're asking all our chapter sponsors to please attend as well. If you have a new product to introduce, please give us a 5 minute preview of it and if possible, bring along some handouts and business cards to hand out.

Mark it on your calendar please and stay safe.

Fred

Crews Rescue Woman After Car Ends Up In Pool At Senior Complex In Spring Valley

SPRING VALLEY, CA . (KGTU) — Emergency crews rescued an elderly woman who was trapped in her car after she drove through a metal gate and landed in a pool at a senior living complex in San Diego's Spring Valley neighborhood December 7th, Wednesday afternoon.

The accident happened at 2:13 p.m. in the 300 block of Kempton Street at Covenant Living at Mount Miguel.

According to officials, the 86-year-old woman reportedly got her foot stuck on the gas pedal of her Chrysler 300 and reversed across a parking lot before crashing through a metal gate and falling into the swimming pool at the complex.

When authorities arrived at the scene, they tied the car to nearby palm trees and worked to safely rescue the woman. No other injuries have been reported, and the woman is being checked by paramedics for further evaluation.

Floating Pool Proposed To Remake San Francisco Waterfront

By KTVU staff

Published December 7, 2022 10:27AM

San Francisco KTVU FOX 2

A massive swimming pool in the San Francisco Bay has been proposed. If approved, it would give swimmers a once-in-a-lifetime aquatic experience. (Photo taken from proposal by Strada.)

SAN FRANCISCO - A gigantic swimming pool proposed for the San Francisco Bay has many eager to take a dip.

The state-of-the-art pool would sit along the waterfront at piers 30-32, about halfway between the Ferry Building and Oracle Park.

If approved, it would rival landmark pools around the world, such as the highest infinity pool in Dubai, and the first floating pool in London.

ALSO: Six new Bay Area restaurants awarded highly sought Michelin rating for 2022 with views of the Bay Bridge and the city skyline, swimmers would have an aquatic experience like no other.

For those who have always dreamed of swimming in the ocean, but don't dare jump in, it might be the next best thing.

The proposal also includes 57,000 square feet of retail and recreation space, making the area more than just a new pool. The design includes two levels of stores and restaurants. They are also planning to build an area for kayaks to launch.

In the works since 2020, Strada and Trammell Crow Company presented their revised plan to Port of San Francisco officials on Nov. 16. Developers said they originally put the plan in motion because of the lack of large publicly-accessible swimming pools in Bay Area.

Organizers say activities would include water polo, synchronized swimming, as well as swim lessons.

Project managers are expected to meet with the port again in January, and hope to further plans to bring the proposal a step closer to completion.

Holiday Party

When: Friday, December 16th, 2022
11 am - 2 pm

Where: SCP San Jose
2036 Martin Ave, Santa Clara, CA 95050
